**We are delighted to be exhibiting at TABEXPO 2019 in AMSTERDAM, and we invite you to join us there!**

TABEXPO has been the 'One and Only' top showcase for the tobacco and nicotine industries for over 25 years. This will be the sixth global TABEXPO event and it promises to live up to its reputation. The Exhibition and accompanying Congress offer unparalleled opportunities to forge global contacts, while you find out what's new, important and exciting in our rapidly-changing field.

At the last TABEXPO event in London in 2015, over 200 exhibitors from 93 countries greeted more than 4000 visitors during the show. Exhibitors included 114 traditional tobacco companies and 42 e-cigarette and next-generation product companies.

The **TABEXPO CONGRESS** brings together a "Powerpack" of leading industry thinkers, influencers and commentators, presenting and debating the essential topics that are shaping tobacco and nicotine – sustainability, regulatory trends and the technology innovation explosion.

TABEXPO 2019 will be live this November 12-14 at the award-winning RAI Centre in Amsterdam. The Centre is easy to get to from Schiphol Airport and the city centre. There is plenty of parking, and once you are there, a great range of meeting places for networking at every level.

We will be waiting to welcome you on our stand – you'll find our location listed in the Exhibition Catalog.
